1. Introduction

This document sets out the standard terms and conditions that will be included in a Grant Agreement between Maerdy Windfarm Community Funds Ltd and a beneficiary of either the Maerdy Wind Fund or Treorchy Wind Fund. The terms and conditions may be varied or added to in the specific Grant Agreement in relation to each individual beneficiary.

An applicant must confirm at the application stage of their willingness to subscribe to these terms and conditions in a subsequent Grant Agreement should they be successful in being awarded a grant. Applicants should therefore review this document and raise any queries with the Fund Administrators.

If the Beneficiary holds grant monies that the Beneficiary no longer intends to spend on the purpose within 24 months the Beneficiary will repay these to the Grantor immediately.

The Beneficiary will start the purpose within six months of the date of the Grant Agreement or, if it is delayed, write to the Grantor giving reasons for the delay and asking for an extension.

The Beneficiary agrees to use reasonable endeavours to deliver the purpose within a reasonable period.

The Beneficiary will not use the grant to pay for any spending commitments the Beneficiary has made before the date of the Grant Agreement.

The Beneficiary will tell the Grantor immediately of any offer of funding for the purpose from anyone else at any time during the Grant Agreement.

If the Beneficiary spends less than the whole grant on the purpose, the Beneficiary will return the unspent amount to the Grantor promptly. If the Grantor part-funds the purpose, the Beneficiary will return the appropriate share of the unspent amount to the Grantor promptly.
